

DarusSalam Seminary

High School Instructors - Boys

We are seeking enthusiastic qualified instructors for our growing High School program to teach boys. The following positions are available:

- 1.) Language Arts Instructor. This full-time position involves teaching 9th to 12th grade high school language arts curriculum. Curriculum includes basic grammar/composition, American Literature, and British Literature classes. Minimum qualifications: strong background in and/or Bachelor's degree in Language Arts or Liberal Arts.
- 2.) Mathematics Instructor. This full-time position will involve teaching students in 9th to 12th grades. Courses include Basic Mathematics, Algebra 1 & 2, and Geometry. We are seeking an applicant who can also help develop an on-campus SAT/ACT preparation course for our students. Minimum qualifications: Bachelor's degree in Mathematics or related fields.
- 3.) Science Instructor. This full-time position involves teaching 9th to 12th grade Science courses. Courses include Health Science, Biology, and Chemistry classes. Minimum requirements: Bachelor's degree in Science.

Please submit your resume (subject line "High School Instructor Position") and cover letter to: office@darussalamfoundation.org
